

Negotiations 2011 Update

4-29-2011

As you all know your Bargaining Committee met again on April 28, 2011 with the Company for the purpose of negotiating a new contract. We discussed the non-economic proposals presented by both the Union and the Company.

We reached tentative agreement on some minor language changes and talked extensively about the remaining points of contention.

Both parties now know the reasons for each other's proposals and with this information we can explore ways to reach workable solutions to the issues facing both sides.

We are scheduled to meet again on May 11, 2011. Between now and then your Bargaining Committee will continue to meet to work the open issues.

Remember we have nominations and election of an Election Committee and nominations for all Executive Offices Sunday, May 01, 2011 at the UAW Hall at 1:00 pm.

The Strike Authorization vote will be on Sunday, May 08, 2011 at the Tebala Shrine in Rockford on Newburg Rd from 1:00 pm to 4:00 pm.

The insurance premiums proposed by the company are listed on our website, uaw592.org, or uaw592.com.

You can also follow negotiation updates on Twitter.

**In Solidarity,
Your Bargaining Committee**
